

We are very excited to announce some summer shows!!!! Our most up-to-date schedule will be available on our new Fan Club Infoline @ (206) 728-7078.

We want to offer you the opportunity to purchase one or two tickets before tickets are available to the general public. We are sorry for the short time frame, but we need to have your response soon. If your entry is not postmarked by April 18, we will have to release your tickets. Also, we cannot guarantee your tickets because certain shows have limited availability. We will need to check the number of responses. Please note that these tickets will have your name on them and cannot be used by anyone else!. Also, any entry from a non fan club member(ie., someone who did not personally receive this letter) will be thrown away.

Ticket prices will vary, as listed below. We have worked hard to bring you an alternate ticketing system. The service fee will be \$2.00 per ticket plus a \$.45 per order processing fee. Depending on the venue, there may be an additional charge for parking and/or a facility fee or tax. We are including parking where applicable to keep the lines at the venue moving faster. These costs are not ours and we do not control them. We will list them separately on the ticket.

We currently have 13 shows to announce. You can choose to purchase tickets for any of the following shows(Tickets are not available for Boise on June 16th). You are limited to 2 tickets through the Fan Club for the summer. We may be announcing more shows later. Sorry that we cannot provide more information!
